

pre-commit-hooks - Feature #1823

trailing whitespace (PULL_REQUEST)

19/10/2015 15:24 - Sonia Pozzi

Status:	Closed	Start date:	19/10/2015
Priority:	High	Due date:	
Assignee:	Sonia Pozzi	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Trailing whitespace not automatically fixed. Unless forced, rejected commit.			

History

#1 - 18/11/2015 13:32 - Erich Foster

- Assignee changed from Erich Foster to Sonia Pozzi

The following changes since commit 966b9bb02fc32e91ecfbb89c9992f20e216c103b:

Fixed and issue where .C files were ignored. (2015-09-18 09:53:19 +0200)

are available in the git repository at:

create mode 100644 .clang-format
```

#2 - 19/11/2015 15:16 - Sonia Pozzi

- Tracker changed from Bug to Feature

- Status changed from New to Resolved

#3 - 15/02/2016 11:20 - Erich Foster

- Subject changed from trailing whitespace to trailing whitespace (PULL_REQUEST)

I also fixed it so that the install script now checks if a Makefile exists and removes pre-commit-compile if it doesn't. This should have also fixed the issue with the pre-commit-clang-format not making its changes on commit.

The appropriate branch is WhtieSpace_1823.
