

cow - Bug #862

Cow doesn't compile for Moose Build 43 (PULL REQUEST)

06/07/2015 15:00 - Erich Foster

Status:	New	Start date:	06/07/2015
Priority:	High	Due date:	
Assignee:	Marco Favino	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
The master branch still doesn't compile for the latest version of Moose. The problem is <code>_f</code> in <code>include/materials/GuccioneCostaRot.h</code> this should be a constant.			

History

#1 - 06/07/2015 15:01 - Erich Foster

- Subject changed from *Cow doesn't compile for Moose Build 43* to *Cow doesn't compile for Moose Build 43 (PULL REQUEST)*

The following changes since commit 579fc2c95e3109544ac10f268c335d848e70e496:

```
ciao (2015-07-01 04:17:58 -0700)
```

for you to fetch changes up to dd2646553bc56b936b71143ead7949dd54e539fb:

```
Pulled in Marco's changes and replaced some of mine in favor of his. (2015-07-01 14:32:50 +0200)
```

Erich L Foster (3):

Updated various `MaterialProperty` variables to `const` in step with moose build 42.

Fixed one last issue with `const MaterialProperty`.

Pulled in Marco's changes and replaced some of mine in favor of his.
